THE PHOENIX

PAR - 70 | YARDAGE - 6053

The Phoenix course has two contrasting loops of holes. The front 9 is tight and requires thought and careful club selection in particular the long 9th with its tight out-of-bounds down the right hand side. In contrast the back 9 is more open and is longer with a network of water features. The 12th is generally considered to be one of the finest Par 3s in Worcestershire - fairly long and with the green well guarded by water.

The layout of the course means that golfers of all abilities can enjoy their round, with a number of shorter, tighter, "Risk and Reward" holes complimenting several longer, more open holes where a golfer can open their shoulders. Well placed hazards ensure that you must think your way around the course while high quality greens make putting a pleasure – if you read them well!

THE HADZOR

PAR - 27 | YARDAGE - 1498

Opened in 2005, the 9 hole, Par 3 Hadzor course was developed around a group of three ponds built on the old 17th and 18th holes of the Phoenix course.

Designed to be a “proper” short course, the greens are built to USGA specifications and the course has developed into an excellent test of any golfers short game. The course is used by England Golf Union, EWPGA, and Worcestershire Golf Union for training purposes, the course is a great benefit for any golfer looking to improve their short game.

The set up of the course gives those who are just beginning to play the game a wonderful introduction to the game of golf without having to slog around a full size course. All of our beginners, whether adult or junior, are encouraged to hone their skills on the Hadzor Course before the move on to longer courses.

The course usually takes less than an hour to play and with no dress code and clubs available for hire, The Hadzor is a great way to spend some time on a golf course without some of the restrictions sometimes associated with golf.

RECIPROCAL GOLF

Don't just benefit from one club, Gaudet Luce is part of Golf Network which allows you to have access to 30 other clubs. Golfers want more freedom to play a variety of courses and retain a membership of the club they love, it was obvious that financially this would not be viable for many golfers so The Golf Club Network was formed. It is designed to give you, the golfer, the best of both worlds; you can be a member of the club you love and play at many other courses without breaking the bank.

We're proud to be home to the William Hunt Trilby Tour Championship of Worcestershire, hosting our first tournament in July 2017. The first ever Championship of Worcestershire.

TRILBY TOUR

CHAMPIONSHIP OF WORCESTERSHIRE

In July 2017, 2018 & 2019 we became host to the William Hunt Trilby Tour Championship of Worcestershire, the event was a huge success and great fun for all players, volunteers and staff involved.

Televised on Sky Sports with a TV audience of 3.5 million viewers the Trilby Tour Series is now the largest amateur golf tournament in Europe. So we are honoured to have our Phoenix Course chosen to host, and so many members have said how great it is to see their course on television!

There are also plenty of opportunities as a member to get involved with the Trilby Tour, the majority of volunteers were our lovely members, as well as some having the opportunity to caddy.

TESTIMONIALS

My only regret about joining Gaudet Luce is the fact that I didn't join sooner! Everyone has been so friendly, the course is lovely, with great practice facilities and a family friendly, welcoming clubhouse. I have felt included and accepted from the start - which hasn't always been the case at clubs I've been a member of in the past - I was asked to represent a club team within weeks, and have joined the Gents Section Committee. I feel that I have, at last, found my "golfing home".

We were all very excited at the prospect of hosting the Trilby Tour for the first time in 2017, with the prospect of seeing the course on the television.

I was especially excited, when I unexpectedly won a qualifying competition and gained a place in the event itself. It was a truly memorable day, with the course in superb condition, spectators watching the action, tv cameras, being interviewed and the luxury of having a caddy to carry your clubs! To make a great day even better, I managed to finish in second place - the closest I'll ever get to feeling like a pro!!

- Mark, gents section member

Marvellous golf club with very friendly people.

- Chris, 5 star review on Google

Hit a silly white ball across a muddy field until it falls into a tiny hole? Me? Never! And then my husband bought me lessons as a gift and after the third lesson I was hooked and discovered a whole new world of friendship, exercise and improved social life.

A couple of years later I was elected Lady Captain and the following year I was asked to develop the Junior Section. Our 2017 Junior Girls Captain has been appointed as one of only 10 England Golf Youth Ambassadors. None of this would have been possible without the support of Management, Members, and our fantastic Pro, Russell Adams.

In 2015 I had the great honour to be invited to be the Club's first female Club Captain. As I became more involved in County and National events, I realised how fortunate the members are at Gaudet Luce to be part of an all-inclusive, progressive golf club. I am very proud to be a member, as I come down the drive the glorious view of our wonderfully manicured golf course, still gives me a thrill!

- Jenny, past club captain

A fantastic course and extremely lovely members that made our team feel very welcome.

JUNIOR SECTION

We are proud to have one of the largest and most successful junior sections in the county, with a wealth of talent across all ages. Girls and boys from beginner level through to scratch, are welcomed, supported and nurtured; allowing them each to socialise, practice, compete, and develop in a friendly club environment in close association with The Russell Adams Golf Academy at Gaudet Luce.

We currently have 28 juniors in County Coaching, with two of our juniors as County Captains. Several juniors compete in national competitions, and in 2020 we have a junior competing at the World Junior Champion of Champions event held in Ireland (girls age 10-12). Our former 2017 Junior Girls Captain has also recently been appointed as one of only 10 England Golf Youth Ambassadors, which is an amazing achievement.

The Junior Section Committee organises a full programme of competitions and events throughout the year for juniors at all levels, and Gaudet Luce is set to be a venue on the 2020 British Junior Golf Tour, which will see some of finest national junior golfers test their skills at our course.

GOLF ACADEMY

RUSSELL ADAMS

Based here at Gaudet Luce is the Russell Adams Golf Academy, Russell provides first class golf coaching from beginners to pro golfers. You can improve your game with 1-on-1 coaching, or get into golf through a 5 week Get Into Golf group course or Learn Golf in a Day.

Over the last 20 years, Russell has explored the true aspects of coaching to develop a style that has helped him create one of the most successful golf academies in the Midlands.

His ability to move a player from beginner to elite player has created a successful development pathway that has been used by national coaching organisations.

Russell also runs many junior coaching programmes including a fun-packed summer camp.

GET INTO GOLF

Together with the Russell Adams Golf Academy we have created the perfect pathway into golf, taking you from a complete beginner to a keen golfer and member of the club. The pathway ideally starts in the academy having lessons with Russell and getting your first year membership, then as you progress moving up to the 9 Hole Membership and getting you out on the Phoenix Course. Available for adults and juniors.

MEMBERSHIP PATHWAY

FIRST YEAR ACADEMY MEMBERSHIP

We offer a great discount on your first membership for those part of the Russell Adams Golf Academy, the discount is available on either the Hadzor Membership or 9 Hole Membership dependant on your ability.

HADZOR MEMBERSHIP

For the new golfer; the Hadzor Course is perfect for those just getting into the game. This membership gives you unlimited golf anytime on the Hadzor Course.

9 HOLE MEMBERSHIP

Another one for the new golfer; unlimited golf anytime on the Hadzor Course and on the front 9 of the Phoenix Course. Ideal for taking that next step up to the main course.

Russell's development pathway works hand in hand with our membership pathway, starting off with learning the basics with Russell on the range, putting green and short game area. Once you have developed these key skills you will then take to the Par 3 9 Hole Hadzor Course and test out your newly learnt skills. As a part of the academy you are entitled to a discount on your first year of golf membership (usually Hadzor Membership), meaning you can get out onto the course between lessons and continue to improve. Once you feel confident you have conquered the Hadzor Course you may then upgrade to the 9 Hole membership, which gives you all the benefits of the Hadzor Membership plus unlimited golf on the front 9 of the Phoenix Course. The Phoenix Course is our main course, which means you can get out there and give your driver a good whack!
